

SOROSIS

TRADE MARK
THE BEST SHOE FOR WOMEN

This celebrated make of shoe has been sold by Moran, James McCreery & Co., Footwear & Seventh Street, for a year and a half—with such satisfactory results that it has been introduced in the new and extensive Department in the Twenty-third Street House.

No other Boot or Shoe so thoroughly satisfactory as the "SOROSIS," and none genuine without the "SOROSIS" stamp.

These Shoes are made in various weights and shapes for all forms of dress,—of soft or stout Leathers,—with high or low heels, including the new Cuban and Louis XV.

When purchasing SOROSIS Shoes, customers should have the foot measured instead of trusting to any particular size. By this means an accurate fit is secured, and the last which is used for the model purchased can be identified in any city—in the United States or abroad, where the SOROSIS Shoe is sold.

Sold in New York exclusively by

**James McCreery & Co.,
Broadway and 11th Street.
Twenty-third Street.**
